**Southwest Colorado Council of Governments  
August Board Meeting  
Thursday, 8 August, 1:30 p.m.  
295 Girard Street, Durango, CO 81303**

In Attendance:

Karen Sheek – City of Cortez  
David Black – Town of Bayfield  
Gwen Lachelt – La Plata County  
Willy Tookey – San Juan County  
Mark Garcia – Town of Ignacio  
Ronnie Maez – Archuleta County (by phone)

Staff in Attendance:

Miriam Gillow-Wiles – Southwest Colorado Council of Governments  
Jessica Laitsch – Southwest Colorado Council of Governments  
Martina Pansze - Southwest Colorado Council of Governments

Guests in Attendance:

John Dougherty – City of Cortez  
Nick Warnick - Haynie and Company (by phone)  
Ann McCoy-Herald – Senator Gardner’s Office  
Carrie Padgett – Harris Water Engineering

**Introductions**

The meeting was called to order at 1:34 p.m.

**Public Comment**

None.

**2018 Audit Presentation**

Nick Warnick explained that Haynie and Company had completed an audit and it was an unmodified opinion, which is highest level of assurance possible. With respect to internal controls, they did not identify any significant issues. The net position did decrease. They confirmed that actual expenses were within the budgeted amounts. Mark asked how long it is possible to revise a budget. Nick replied that there is no identified timeframe. John asked if the amount due from other governments is collectable. Miriam replied that she and Sara will look into this and email the board.

**Decision Items**

2018 Budget Amendment and 2018 Audit Acceptance:

Miriam summarized that the amendment is done after the audit to ensure multiple amendments are not required. She added that the numbers were pretty close. Mark asked for confirmation that they would be changing the budget number to match the audited numbers. Miriam confirmed that this is true. Miriam added that one goal for 2020 is to increase the reserve balance. Mark asked what changed. Miriam replied that she would send out the 2018 budget. There was discussion about whether it is necessary to do a budget amendment to reduce the numbers to the audit amount, a more common scenario is if there was an unexpected revenue that resulted in increased expenses. Miriam replied that the board may wish to table the amendment and just do the audit acceptance.

**Mark Garcia motioned to table the supplemental budget, Ronnie Maez seconded, unanimously approved.**  
**Ronnie Maez motioned to accept audit, David Black seconded, unanimously approved.**

### **Consent Agenda**

June 2019 SWCCOG Meeting Minutes and July 2019 Financials

**Willy Tookey motioned to approve the consent agenda, Gwen Lachelt seconded, unanimously approved.**

Accountant Contract Amendment:

Miriam explained that Sara will reduce her contracted hours to an on call basis.

**Mark Garcia motioned to approve contract, Willy Tookey seconded, unanimously approved.**

c. Cyber Security and Data Breach Policy

Miriam explained that the liability insurance company would like the COG to have a cyber security policy, this will reduce the cost for liability insurance. Karen asked if the COG has experienced a breach that cost money. Miriam replied there was one issue that cost time. Karen asked if staff has been trained. Miriam replied that CIRSA has training available.

**Gwen Lachelt motioned to approve the Cyber Security and Data Breach Policy, David Black seconded, unanimously approved.**

d. Census 2020 Outreach Grant Program

Miriam explained that she would like the COG to apply for funding to support census efforts. Karen asked what would be included, Miriam replied that the thought is to print materials specific to our local populations. Karen mentioned that there is a group in Cortez looking to apply for funding asked if that would be a conflict of interest and questioned the need for translation into less common languages. Karen asked if there is an issue with the COG applying and possibly competing with other entities applying. Miriam replied that DOLA was supportive of a regional effort, the thought is that if we apply as a region then we could ensure that individual entities have the items and support they need. Karen asked if Region 9 is planning to apply. Miriam replied that do not plan to. Karen asked what the funds could be used for. Martina replied that there is not a floor or ceiling on funding.

**Willy Tookey motioned to apply for grant of \$200K, allowing modification to the amount by the executive committee, David Black seconded, unanimous**

e. Letter of Support – Brainstorm Internet Fiber to the Home Deer Valley

Karen abstained. Miriam explained that that COG had previously written letter for this neighborhood for different provider.

**Willy Tookey motioned to provide a letter of support as requested, Mark Garcia seconded.**

Ronnie asked if the request for a letter went to other counties, Miriam replied that it probably just went to La Plata County, but since the location is near Archuleta County she would forward the draft letter for their consideration.

**Unanimously approved.**

f. Letter of Support Ratification - Archuleta Fixed Route Plan

Miriam explained that Archuleta County already applied and ratification is needed to due to the date of the grant.

**Mark Garcia motioned to approve the letter, Gwen Lachelt seconded, unanimously approved.**

g. SJRC&D Information on Regional Non-Profit

Carrie Padgett, Harris Water Engineering, described the history of San Juan RC&D and the purpose behind the request to work with the COG. Gwen asked for associated costs. Miriam replied that they could bring a cost analysis to the September meeting. Miriam added that most of the services are not beyond what COG does already, however she would like to explore the possibility of fee for service. Karen asked if the board would remain in place. Carrie replied that a couple board members would be willing to remain on the board moving forward. Carrie described the locations served. Ann and Willy described the value of the organization.

**Willy Tookey motioned to direct staff to move forward with collaborating, David Black seconded, unanimously approved.**

### **Reports**

Director's Report:

Miriam reported that she has added a grant summary report for meetings. The board retreat will be held on August 26. She has had discussions with Mancos about rejoining the COG. A DOLA housing representative will attend the September board meeting. There was discussion about having the board meet before the regular meetings for lunch. There was a suggestion modify the meeting invitations to begin earlier to allow for lunch.

Broadband Report:

Miriam reported that the idea of a broadband route through New Mexico gained a positive reception. The franchise fee was ruled against local governments, it will likely go to the courts. The Supreme Court ruled that public access does not need to adhere to the First Amendment, Miriam will send out the ruling. She will let the board know what happens with the cable franchise fees.

Transportation Report:

Jessica reported that CDOT has been meeting with the TPRs regarding the 2045 plan, and they will be prioritizing projects at the October meeting. There will be information going out in preparation for this process.

VISTA Report:

Martina reported that this is her last meeting. She mentioned that she may continue to help on specific projects on a contract basis. Miriam added that some communities have expressed a need for grant support.

The meeting ended at 2:52.

# August 2019 Financials

To: SWCCOG Board of Directors  
From: Jessica Laitsch  
Date: 9 September, 2019

---

Comments: The following reports are attached:

- Balance Sheet as of 31 August, 2019
- January-August 2019 Profit and Loss

If the Board would like to see Budget to Actual reports in future financials, I can begin including them.

Items to note:

The bank account balance is overdrawn in the register but not in the actual bank account as checks are being held; this is not recommended by the auditor, but we are waiting for a number of state reimbursements and with low cash flow, I am not able to send payments to vendors.

The prepaid expense is for the Zoom software, the contract was goes to 2020.

***Fiscal Impact:*** High, overall financial status of the organization

***Legal Review:*** Not applicable

***Staff Recommendation:*** Approve the August 2019 Financials

# Director Report

To: SWCCOG Board of Directors  
From: Miriam Gillow-Wiles  
Date: 12 September 2019

---

Comments: It seems as if no one is quite sure how it got to be September. Jessica and I have been working on getting 2020 preliminary budget, and sorting out functioning with only two people. It has been a bit tough and we are hopeful that the 2020 budget will allow for another part time administrative position to help with things like meetings, and support. I have also been working with the various Census committees regarding budgets and ensuring we have the information to submit a comprehensive grant on the 15<sup>th</sup>.

## **Member/Potential Member Jurisdictions**

I have been working with some of the jurisdictions have been COG members and are not currently to bring them back into being COG members for 2020. Support from any elected officials to their elected officials would be greatly appreciated.

- Durango
- Mancos
- Dolores (Town)

## **San Juan RC&D**

Due to scheduling issues with myself and Carrie Padget, the current Board member who is providing bookkeeping services, we have delayed this to the October Board Meeting so there is time for completion of a contract and full analysis of data.

## **Community Engagement**

- Dolores County Census Committee, Dove Creek
- Montezuma County Census Committee, Cortez
- La Plata County, Commissioners Lachelt and Church, Durango
- City of Durango, City Councilor, Durango
- Southern Ute Tribal Leaders, Ignacio
- Town of Ignacio, Interim Town Manager and Chief of Police, Ignacio
- City of Cortez, City Council Presentation, Cortez
- Ignacio Creative District, Ignacio
- Ute Mountain Ute Tribal Leaders, Towaoc
- USDA State Director
- USDA Federal Department Heads
- HUD State Interim Director
- 4CEDs, by phone
- Pagosa Springs Community Development Corporation, Pagosa Springs

## **Follow Up on Action Items from the Board**

- October 24<sup>th</sup> and December 12<sup>th</sup> Meetings will also have a notice for lunch, so Board Members can come and engage with one another over lunch.
- The Executive Committee will meet to discuss the various aspects of the Goals and Tasks and other identified needs from the Board Retreat and will help staff rank and organize in importance, and discuss at the October 24<sup>th</sup> Board Meeting
- Andrea Phillips and Liane Jollan (San Juan Basin Public Health) are working on information gathering regarding associate membership. We should have a final recommendation at the December Meeting for approval for 2020.
- As a result of the strategic planning sessions and the challenge some of the communities have with attending meetings every month, staff is working on a 2020 Meeting schedule for discussion at the October meeting to get Board feedback. Final approval is expected in December.

## **Upcoming Meeting Dates:**

October/November Board Meeting: October 24<sup>th</sup> 12:30 Lunch, 1:30pm Meeting

December Meeting: December 12<sup>th</sup>, 12:30 Lunch, 1:30 Meeting

## **Executive Director Time Out of the Office**

The Executive Director will be traveling extensively throughout the region for the next few weeks to meeting with the COG member jurisdictions.

PTO: September 26<sup>th</sup> – 27<sup>th</sup>

October 3<sup>rd</sup> – 7<sup>th</sup>

# Broadband Report

To: SWCCOG Board of Directors  
From: Miriam Gillow-Wiles  
Date: 12 Sept 2019

---

Comments Lots of updates, not a lot of anything ground breaking or new.

## **Southern Route Engineering**

As you'll remember DOLA has fully funded this project so we are working on engaging with the stake holders, including a diverse set of new folks in New Mexico. The idea of broadband development has caught on like wildfire in New Mexico. This has also grabbed the attention of the Navajo Nation as they are working on technology and broadband planning/development. As a result I have met with both the Navajo Nation President, Vice President, and many of the various department directors (Community Development, Justice, etc). I am hopeful that this project solidifies cross state engagement with the amount of excitement it is creating. Consultant work should begin in September, as we should expect a contract in the next week from DOLA.

## **FCC Cable Franchise Fees Update**

This FCC Rule making is going through an appeals process at the FCC. Current guidance is to only broach the subject with your cable providers if they approach your jurisdiction first.

## **FCC Over the Air Reception Devices (OTARD) Ruling**

Please see previous broadband reports for more information. The FCC has not yet made a decision on this proposed rulemaking. Staff will up update when more information is available.

## **FCC 5G-Small Cell Ruling Update**

- The FCC Ruling is still making it's way through the federal court system, documents have been submitted to the 9<sup>th</sup> Circuit Court and oral arguments are expected soon. The consortium of local governments leading much of the push back against this ruling are requesting the Circuit Court to hear oral arguments sooner.
- Many local government elected and appointed officials have been receiving form letters stating that the radio frequency (RF) for 5G is a health and safety issue and asking that they create policy to limit the RF of 5G. Local governments cannot do this per federal law. Please see the attorney-client privileged documents the Executive Director provided.

# Grant Updates

To: SWCCOG Board of Directors  
From: Miriam Gillow-Wiles  
Date: 8 August 2019

---

Comments: Starting this month, staff will provide updates up on the various grants in one location instead of spreading them across other reports. This will help track the various projects/goals and the funding related to them. Feedback is welcomed if this is helpful and if it could use some tweaking.

## **Existing Grants:**

### **CDOT TPR FY19-20 Funding**

The TPR is funded through a Purchase Order, for typically \$22,100. This state fiscal year, the SWTPR will have an additional \$10,000, for a total of \$32,100, to attend meetings and coordination for SB19-239. This legislation convenes stake holder groups to address the impacts of technology on transportation. Additional information can be found here: <https://leg.colorado.gov/bills/sb19-239>

- This funding will cover staff time related to TPR goals and administration of the TPR

### **DOLA 8573 - 2018 Technical Assistance – FUNDING CLOSED**

- Funding to create ‘offsite storage’ with LPC and Bayfield (*Telecommunications and Shared Services*)
  - o Purchased several Office 365 licenses for government with contract support for installation to test run how full cloud storage and computing works for member jurisdictions. La Plata and COG will pilot, as well as any other jurisdiction that wants to be a test subject.

### **DOLA 8824 – 2019 Technical Assistance – STILL WAITING ON CONTRACT**

- Will have contract this month, there was an error with the paperwork on DOLA, it has been fixed.
  - Funding includes:
    - o \$20,000 - CDL Program Development and Cost Reduction for COG Members (*Shared Services/Community Support*)
    - o \$30,000 - Development of end markets for hard to recycle items (*Environment*)
      - Match from CDPHE Regional Waste Studies in early 2020
  - No funding for staff
  - Ends Aug/Sept 2020
-

## **DOLA REDI Grant 19-189**

- \$48,000 for Broadband Engineering (*telecommunications*)
  - o Southern Loop through NM: Cortez-Shiprock-Kirtland-Farmington-Aztec-La Plata County
  - o FTTP support to help LPEA post SB19-107 through Eastern La Plata to Pagosa Springs
- \$30,000 Match from Farmington and San Juan County
- Expected funding from ISPs
- Project will start in September

## **FCC USAC Rural Healthcare 2019 Broadband Funding Request**

The SWCCOG applied for a total of \$13,368,611.49 in USAC funding in May. Notice of funding is expected sometime between November 2019 and February 2020.

## **USDA REDI Technical Assistance**

- No funding attached with this, technical assistance only
- Support post extraction industry with new economic drivers
- Plan will create road map and additional funding, likely from USDA sources
- Expected completion late Q32020

## **CDOT Mobility Manager – NEW**

- Awarded \$28,500
- All funding towards staff
- Part time position to help coordinate transit agencies, health care providers, health and human service providers, and others

## **Future Grants**

### **DOLA Census Grant**

- No Match Required
- Up to 10% administrative costs can be included in grant
- Support regional Complete Count Committees to bring in funding
- Due Sept 15<sup>th</sup>
- Expected funding up to \$200,000

### **DOLA 2020 Technical Assistance**

- Board Approval Sept 2019
- Application due Oct 2019
- Shared Services, Shared Software, and

### **DOLA Broadband Grant**

- Administrative and Consulting costs for USAC Rural Healthcare
  - Out of DOLA \$5 Million set aside for Broadband
  - Requested \$500,000 in 2018 for same initiative
-

# Grant Updates

---

- May also request match for middle/last mile build out to support USDA grants

## DOLA Grant for Regional Housing Plan

- In conjunction with Housing Solutions
- Housing plan to bring in housing data to identify needs regarding housing instability
- \$25,000
- Administrative Fee: \$2,500 paid for from a HUD grant via Housing Solutions

## CDPHE Recycling Funding

- Expected Early 2020
- Proposal only, not competitive grant cycle
- \$30,000 from DOLA 2019 funding
- Will look at quantity and local reuse of 'hard to recycle materials', such as glass, tires, electronics.

## EDA Funds (potential)

- Help develop some of the outcomes of USDA REDI TA grant

## OEDIT Funding (potential)

- Co-working spaces technical assistance, both industrial and office
- Outdoor recreation development

## USDA Funding

- Post USDA REDI Technical Assistance work
- Will focus on targeting outcomes and recommendations of USDA REDI TA
- Likely various co-working spaces, outdoor recreation economy development, programs with San Juan College and PCC

## Broadband Funding

- DOLA funding in 2020
  - USDA funding in 2020
  - FCC Rural Opportunity
  - Public Private Partnerships

# 2020 Draft Budget

To: SWCCOG Board of Directors  
From: Miriam Gillow-Wiles and Jessica Laitsch  
Date: 9 September, 2019

---

Comments: Attached is the Draft Budget for FY2020. The Draft Budget has been reorganized to categorize and simplify the General Fund, the intent is to have it look less like a Profit and Loss statement and more like a local government budget. We hope that this reorganization will create a better picture of the organization's financial position, for example the dollars for general administration have been separated from the grant funded projects. Additionally, we have included a simplified budget page with charts to illustrate how and where the money goes/is spent.

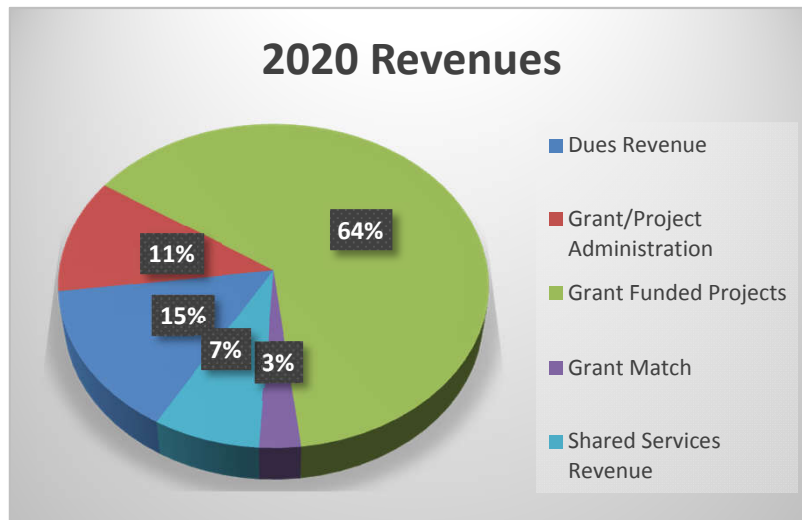

Some notes and assumptions:

- We did not include dues revenue from Mancos or Durango, though we did include Dolores and Silverton.
  - In the final budget we do not intend to include grants that have not yet been awarded, this is to avoid artificially inflating the numbers and ensure a clear picture of the organization's finances.
  - Employee Benefits:
    - Health Insurance
      - 25% cost of employee paid by employee, 75% paid by COG
      - 50% cost of dependents paid by employee, 50% paid by COG
      - This will save significant amounts of money and is accepted by both employees
  - Salaries:
    - The Executive Director's salary remains flat with 2019.
    - Jessica's hourly rate is budgeted at \$25/hr to match the significant increase in duties.
  - The retirement match remains at 4%.
  - The cell phone allowance has been removed for 2020, and we have budgeted for an office phone at a lower cost than the cell allowance.
  - The SWTPR funding has increased for FY19-20.
  - The Grant Match is budgeted and we expect to use it in 2020. This is due to the increasing number of grants that will not fund the administrative overhead to manage grant funded projects, which creates a financial burden on the organization.

# 2018 Budget Amendment

To: SWCCOG Board of Directors  
From: Jessica Laitsch  
Date: 9 September, 2019

---

Comments: At the August meeting, the Board was presented with a budget amendment for the year 2018. The decision on this item was tabled pending additional information. Accordingly, attached is a comparison between the approved 2018 budget and the proposed budget amendment. Although expenditures in 2018 were within budgeted amounts, this budget amendment would align the budgeted numbers with the final audited numbers as well as create a cleaner year-to-year comparison by removing several very large grants that were budgeted but not awarded. If the Board would like to proceed with adopting the budget amendment for 2018, staff will publish the required notification for consideration at the October board meeting.

Some notes on the 2018 budget:

- Due to a change in DoLA regulations, these grants no longer provide funding for administrative costs.
- In line with Board direction to focus on broadband, other grants were not sought and much of the staff time on broadband related efforts were not reimbursable by grants.
- Grant revenues were down 53% from 2017.

# 2019 DOLA Technical Assistance Grant

To: SWCCOG Board of Directors

From: Miriam Gillow-Wiles

Date: 6 September 2018

---

The DOLA Technical Assistance Grant is due October 1. This year, like most, we are proposing several projects that continue work done in the Strategic Planning sessions. Not included that was a high priority in the strategic planning sessions was any coordination or collaboration with other regional entities, as DOLA is hesitant to fund this item due to the challenges we had with the previous attempts. However, shared services, resiliency, and housing were all items discussed at strategic planning and are very do-able with these funds.

### Consultant Services:

There are two aspects to this item: AmeriCorps VISTA and Transportation consultant. The AmeriCorps VISTA position will continue to work on the recycling initiative(s), support for the Transit Council, grant writing, and new this year, creating outward facing information such as press releases and better communication about our projects and programs. Transportation consulting will help finish up the SWCCOG 4 Corners Transit Plan, as well as the Cortez-Durango transit study.

### Shared Services:

This category contains quite a lot of services and benefits that otherwise would cost each jurisdiction significant funding.

- Grant Database Subscription
- Video Conferencing Software
- Colorado Communications Utility Alliance to continue support of FCC Rulings, model codes, and other such benefits to the COG membership
- Contract Grant Writing to help support the COG membership (and the COG)
- Legal Fees to cover developing shared building inspection contract(s)
- NATOA: National Association of Telecommunications Officers and Advisors, additional support to what CUA can provide and more federal engagement on broadband and FCC issues
- Recycle Colorado Membership – Recycling advocacy organization in the state. Will help with providing resources for Members. Bonus: provides three board votes.
- Office365 Licenses and support – designed to start rolling out 365 in the different jurisdictions as a pilot project to determine how to do so in each community.

### Regional Resiliency:

DOLA has been working La Plata County, Bayfield, Durango, and Ignacio post 416 Fire, however there are many other jurisdictions that also need resiliency planning. COG wants to utilize the DOLA TA grant for match for additional funding to provide support for additional resiliency planning.

# 2019 DOLA Technical Assistance Grant

Regional Housing Planning:

Housing Solutions for the Southwest is applying for funding from HUD to do data collection to better inform regional housing development and housing plans. They asked if we could find DOLA funding as non-federal match. The federal funding will provide the M&A for the COG. Staff wanted to apply for this at the Technical Assistance grant, as to not compete with the COG member jurisdictions during the regular grant cycles.

Personnel Costs:

We are hoping DOLA will provide funding for the SWCCOG staff to negotiate work on the development of shared building inspections. Staff estimates we will also spend equal amounts of funding on this project gathering information and negotiating contracts as well as communicating with the interested member jurisdictions.

Grant Budget

DOLA TA 2020 Grant					
Budget Line Item(s)	Grant Funds	Matching Funds	In-Kind	Total Cost	Matching/In-Kind Funds Source
<i>Consultant Services Costs</i>					
Shared Services	\$ 35,405	\$ 4,000	\$ -	\$ 39,405	Grantee Cash
Regional Resiliency	\$ 25,000	\$ 75,000	\$ -	\$ 100,000	Grant from EPA/USDA/CPAW or other
Regional Housing Planning	\$ 25,000	\$ 60,000	\$ -	\$ 85,000	Grant from HUD through HSSW
<i>Personnel Services Costs</i>					
	\$ 4,000	\$ 4,000	\$ -	\$ 8,000	Grantee Cash
<b>Total</b>	<b>\$ 89,405</b>	<b>\$ 143,000</b>	<b>\$ -</b>	<b>\$ 232,405</b>	
<b>DOLA Funds</b>		<b>\$ 89,405</b>			
<b>SWCCOG Funds (In-Kind/Cash)</b>		<b>\$ 143,000</b>			

Please note these budgets are just guidelines, and my change based on grant match/in-kind services available.

Additional Information:

- No additional funding from SWCCOG Members
- Reduction of overhead for Member Jurisdictions though a variety of shared services
  - o Shared Software, including grant databases and video conferencing
  - o Shared Memberships: NATOA, CCUA, Recycle Colorado
  - o Shared Services: Grant Writing and development of shared Building Inspection services
- Regional Resiliency Planning will compliment existing work in La Plata County but also provide support for the other counties and municipalities. Funding may come from
  - o EPA: brownfields development

# 2019 DOLA Technical Assistance Grant

---

- USDA: solarization or ?
- Community Planning Assistance for Wildfire
- Regional Housing support is match for a regional housing grant for Housing Solutions from HUD. The HUD grant will provide management and administration for the DOLA grant funds.

# Strategic Plan

To: SWCCOG Board of Directors  
From: Miriam Gillow-Wiles  
Date: 12 September 2019

---

Comments: Attached are a number of documents from the extensive strategic planning process the SWCCOG Board and partner organizations went through. Paul will work through these in a PowerPoint, but some of the embedded documents do not work in a PDF below is the list of documents and where they fit into the Planning Outcomes Document.

- Strategic Planning Outcomes
- Shared 2024 Vision (Page 8)
- Strategic Plan Original (Page 38)
- Strategic Plan Recommended Updates (Page 40)

Some of the potential moves and ideas (on pages 32-35) and the more important aspects of our discussion didn't quite make it into the strategic objectives. Typically, Paul reports back exactly what was recorded during the meeting, but in this case, he thought it important to propose some wording revisions to more accurately capture the essence of what was discussed (and at the same time streamline the plan). In an attempt to reconcile what was recorded with what they believe were important themes. The board can decide if it wants to stick with the original objectives as recorded or accept the proposed revisions.

As an FYI, Follow Up Actions are on page 42.

**Legal Review:** Not applicable at this time

**Fiscal Impact:** None at this time, may have fiscal impact in the future.

**Staff Recommendation:** Approve Strategic Plan with or without recommended changes.

# Synopsis

Karen Thompson and Paul Roithmayr (the consultants) were approached by Miriam Gillow-Wiles, Executive Director of the Southwest Colorado Council of Governments (SWCCOG), to deliver a strategic planning process for the organization. In February 2019 the consultants interviewed the Executive Director and the three members of the Executive Committee to collect their input on the desired outcomes for the strategic planning process and meeting. Starting in May, the current state information was collected from current SWCCOG Board Members and Staff, Past Board Members, and Partner Organizations. The current state was summarized in the form of: (a) a Current Service Model Canvas, (b) Stakeholder Survey Feedback, (c) Financial Trends, and (d) a SWOT (Strengths, Weaknesses, Opportunities, Threats) Analysis.

On June 28, 2019, a shared vision was generated, the current state information was reviewed and discussed, and “potential moves” and “big ideas” were brainstormed. An initial set of Key Performance Indicators (KPIs) were also proposed.

On August 26, 2019, after a quick refresh of the June 28 activities, additional moves and ideas were brainstormed. After reviewing the full list of potential moves and ideas and clustering them into themes, the *Innovator* polling system was used to rate and prioritize the potential impact of each move on financial viability, value delivered, and COG effectiveness over the next 3-5 years. The highest rated themes were then translated into strategic objectives. Finally, the tactics / projects for the next year were identified to support each strategic objective. **The four primary outputs of the strategic planning process are: (a) the SWCCOG Shared Vision 2024 (p.8), (b) the proposed SWCCOG Strategic Plan 2019 – 2024 (including a 1-year work plan) (pp.37-40), (c) proposed KPIs (p.41), and (d) identified Follow-up Actions (p.42).** The Strategic Plan and KPIs are subject to approval by the SWCCOG Board, as a quorum was not present at the August 26 meeting.

# Purpose and Expected Outcomes

**Purpose:** Define a strategy to deliver financial stability, stakeholder value, and organization effectiveness.

## **Outcomes:**

1. A shared understanding of SWCCOG's current situation and implications for strategic direction going forward.
2. A shared vision for 2024.
3. A 5-year set of strategic goals and objectives and a 1-year work plan with tactics / projects.
4. Key Performance Indicators (KPIs) to monitor and evaluate success.
5. A plan and process to monitor and course-correct the strategy over time.

# Current State Service Model Canvas – SWCCOG

# Stakeholder Survey Feedback Results

- Purpose:
  - Understand more fully SWCCOG's current situation,
  - Inform the meeting design, and
  - Make the most of our time during the meetings.
- Completed by 34 respondents between June 5, 2019 and June 16, 2019:
  - Current Board Members, including Alternates (9/18 or 50% participation)
  - Past Board Members (6/9 or 67% participation)
  - Partner Organizations, including State Resources (19/36 or 53% participation)

What are the 2-3 most critical issues YOUR organization is experiencing (independent of what SWCCOG is currently working on)? "Issues" can be thought of in terms of challenges or opportunities.

# What are the most critical issues or questions to address during the upcoming strategic planning sessions?

## CBM

- Sustainability of the COG (3)
- Future priorities of COG besides broadband (2)
- Affordable housing
- Coordinated policy-making that helps the region
- Where are we going and how do we get there?
- Member engagement

## Related General Comment:

Key elements underlying Durango's withdrawal were the failure of the membership to muster a quorum for the critical strategic planning retreat in 2018, plus General Fund fiscal crunch (now temporarily relieved). The actual returned value for the assessed dues was deemed incommensurate compared to other memberships.

# What SWCCOG successes or accomplishments are you most proud of?

## CBM

- Broadband grant / SCAN (3)
- Fiber
- That COG is still hanging in there, hiring good staff
- Broadband assistance

# What would your organization or the region gain if SWCCOG were a stronger organization?

# What CURRENT SWCCOG service/project/program/initiative provides the GREATEST value (monetary or otherwise) to your organization going forward?

## CBM

- Fiber / efforts in Broadband (4)
  - Get a regional (Four Corners) approach up and going
  - Middle mile BB
- Recycling
- Voice at statewide BB forums
- Grant finding and alerts
- Opportunity for governments to gather and talk to each other
- Opportunities to talk informally with staff from state and fed offices
- Miriam's assistance on projects
- Grants

# What CURRENT SWCCOG service/project/program/initiative provides the LEAST value to your organization?

## CBM

- How effective have the recycling education programs in the elementary schools been?
- Development of local BB or ISPs
- Run down of things that take place statewide. CML is good at that.
- Broadband – haven't seen much progress
- Transit planning

# What NEW SWCCOG service/project/program/initiative would provide the greatest value to your organization going forward?

# What would enhance your personal engagement as a SWCCOG member, if anything?

## CBM

- A good active Board
- A unifying or shared project that needed regional support and resources
- Ensure ability to participate and prep for meetings
- It is difficult to attend meetings. It would be nice if there was a better way to keep us all informed
- More time to participate

# What gets in the way of your personal engagement as a SWCCOG member, if anything?

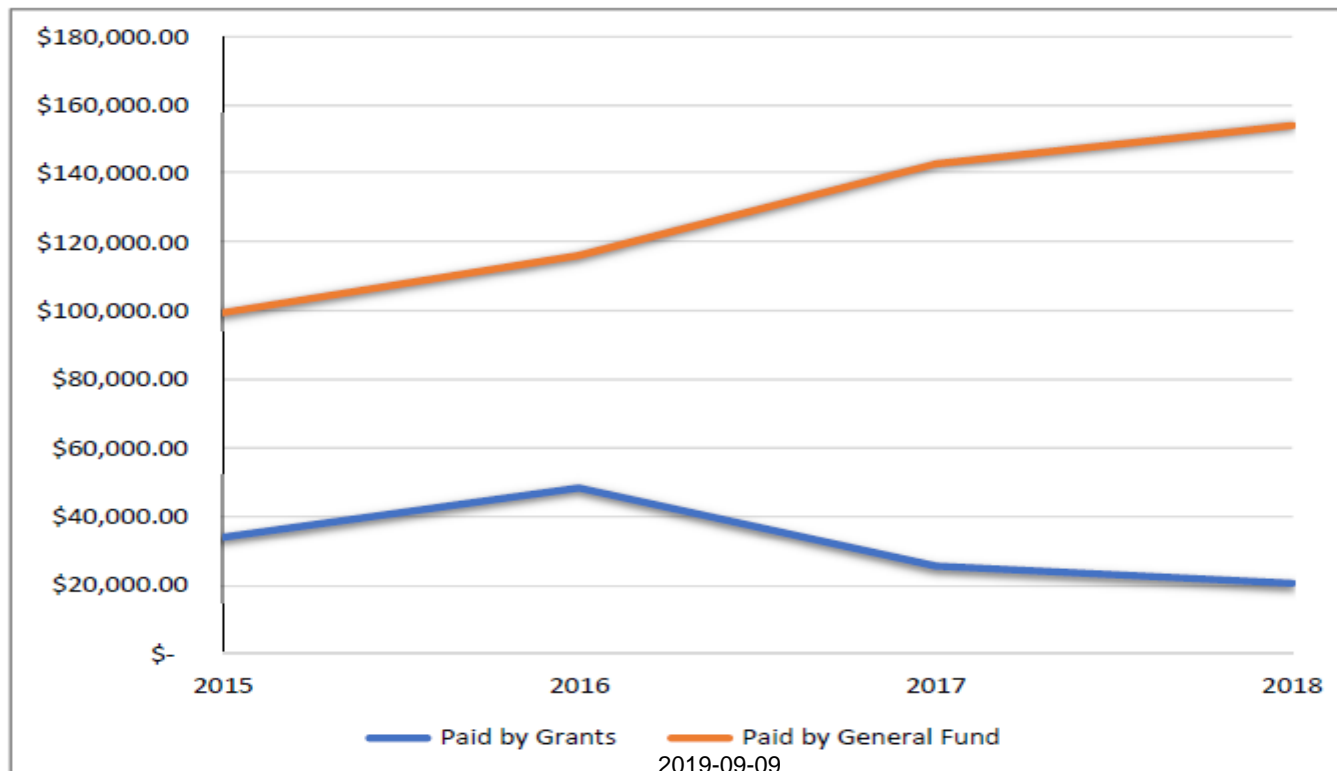

## CBM

- Scheduling and time
- Time and lack of unified / shared vision
- Driving to Durango (virtual isn't as helpful); full days of retreats; time to read over packet
- Meeting conflicts with San Miguel Authority Region for Regional Transit (runs Rico shuttle)
- Logistics
- Time away from office, scheduling conflicts, fires that demand immediate attention
- Scheduling meeting to coordinate is very difficult
- Too busy with other duties I am directly responsible for

# Current Situation Analysis: Key Takeaways

- Lots of need; there is a role for the COG
- Many common themes
- Member engagement – consider a different structure
- Need money or a different model
- Need a prioritized master plan

# Brainstorming of Potential Moves and Big Ideas

- Potential moves were generated. The full list can be found on slides 30-36.
  
- The following “Big Ideas” were also generated and discussed:
  - Use a broader regional approach
    - To address common issues and leverage funding
    - Consider including the tribes, NM, Four Corners
  - Consider an alternate fee / membership structure (e.g., free, low, or standard cost for all members; a la carte for specific initiatives)
  - Form an organization / regional authority to construct workforce housing
  - Form a regional transportation authority (e.g., surface, transit, airport)
  - Revisit pulling in regional organizations that provide a government service (e.g., 4 Core, AAA, Region 9 Economic Development, Housing Solutions of the SW)

# Day 1 Parking Lot

- How do partners engage and coordinate with SWCCOG?
  - Consider having related organizations come present to SWCCOG.  
Examples: housing, transportation, tourism, economic development
    - What are they doing?
    - What are their challenges?
- Should we keep the current region or expand it?

# Homework for Day 2

- Please talk with members of your council/board/top staff about what one thing COG could provide that would deliver the greatest value to your community/jurisdiction?
  - Consider areas that are most painful to your jurisdiction
  - Consider areas that would provide the greatest gain to your jurisdiction
- Responses provided:

# Prioritization of Potential Moves / Ideas

- After brainstorming potential moves and ensuring clarity on each, the group rated each move / idea / theme.
- All attendees were asked to: rate each move / idea / theme based on the level of potential impact it might have on financial viability, value delivered, and COG effectiveness over the next 3-5 years. The rating scale used was:
  - 1=Little to No Impact
  - 2=Some Impact
  - 3=Moderate Impact
  - 4=High Impact
  - 5=Extremely High Impact

# Potential Moves / Ideas – Average Impact Rating

1=Little to No Impact; 2=Some Impact; 3=Moderate Impact; 4=High Impact; 5=Extremely High Impact

# High-Level Strategic Plan 2019 – 2024 (Original)

## Strategic Goals and Objectives (Avg Impact Rating of Original Theme)

### 1.0 Improve Financial Viability

1.1 Bring in funding for projects / programs with a regional / local match. (4.3)

1.2 Provide shared services to members and other regional entities. (4.1)

### 2.0 Enhance Member Value

2.1 Create / revise a core list of focus areas for COG. Identify top priorities; examine funding. (4.2)

*Note: see slides 11, 20, 29, and 35 for data already collected.*

2.2 Establish a representative body to speak with one voice to legislatures, congressional committees, and community. Money; policy. (4.7)

2.3 Identify and market / communicate our total challenges, needs, accomplishments and efforts to ourselves and outside entities (e.g., state, federal). (4.3)

2.4 Communicate / educate our own constituencies. [No tactics / projects; propose merging with 2.3 by adding “our constituencies”]

### 3.0 Enhance Effectiveness

3.1 Increase clout of the COG (e.g., with state/federal legislatures, rule makers.) (4.7) [Very similar to 2.2; propose integrating with 3.3 by replacing examples with “by expanding membership, participation, and contributions by Board members]

3.2 Develop a coordinated approach to economic development from a regional perspective. (4.3) [3.2 and 3.4 stemmed from the same theme; regional planning commission did not make it into the objectives; propose merging 3.2 and 3.4 and replacing current wording with “Develop a coordinated approach to address priority issues common to existing member jurisdictions and possibly beyond (e.g., Farmington, San Juan County, NM; the tribes; Four Corners)]. Example issues: economic development, transportation, and planning.

3.3 Incentivize members to participate in COG. (4.3) [See 3.1 above]

3.4 Develop a coordinated approach to transportation (e.g., surface transit, airport). (4.3) [See 3.2 above]

## Do you believe SWCCOG Staff and Board Member roles and responsibilities are clearly understood by all? (CBM)

ANSWER CHOICES	RESPONSES	
Yes	66.67%	6
No	33.33%	3
TOTAL		9

#	IF NO, PLEASE EXPLAIN AND PROVIDE SPECIFIC EXAMPLES.
1	Understanding staff and board member roles shouldn't be in the same question.
2	I'm not sure who does what.
3	Because the members cycle in at out annually, there is loss of instituional knowledge. Director then looks for leadership from Executive Committee, but they look to Executive Director because she has the institutional knowledge.

# Strategy Meeting Evaluation – Day 1

## What went well?

- Vision session
- Smartsheet tool
- Opportunity to discuss issues / common concerns
- Lots we agree on

## What could have been better?

- 8:30am too early
- Better coffee
- More time in small group to brainstorm ideas
- One-on-one contact vs. a pre-survey
- Some terms confusing

# Results – Impact of moves / ideas on financial viability, value delivered, and effectiveness of COG over the next 3-5 years (Rank Ordered)

# Strategy Meeting Evaluation – Day 2

## What went well?

- Lunch
- Positive discussions
- Honest boiling down of problem
- Tom and Arvin's visit expanded our horizons

## What could have been better?

- Long day; would have been good to be a one-day process
- Disappointed we did not spend more time in conversation. Process stilted this.
- Need more time to just get together and have more conversations.
- What do we want to come out of this meeting with?
- Less on the front-end, more on the back-end
- What are we currently working on? What more do we need to do on these?

# Planning Terminology

- **Goals** – Statements describing the *high level outcomes* or *breakthroughs* an organization must accomplish to achieve its vision.
- **Objectives** – Statements describing the *projects or programs* that are required to achieve a goal.
- **Tactic / Project** – A set of tasks for attaining new and unique deliverables whose success directly supports the achievement of an objective.
- **Indicator** – a quantitative or qualitative measurement, or any other criterion, by which performance can be assessed, often by comparison with an agreed upon standard, target, or desired outcome.

# Plan Numbering System

- 1.0 Goal
  - 1.1 Objective
    - 1.1.1 Tactic / Project
    - 1.1.2 Tactic / Project
    - 1.1.3 Tactic / Project

    - 1.3.3 Tactic / Project
- 2.0 Goal
  - 2.1 Objective
  - 2.2 Objective
  - 2.3 Objective

# Strategy Review Meeting Outline

- Regular meeting designed to monitor plans, generate momentum, solve problems, and ensure expected results are achieved. Recommended frequency: quarterly or every four months.
- Helps ensure clear expectations, coordination, and exposure to each other's work.
- Focus is on:
  - Strategic Roadmap / 1-year work plan
    - Approving continued progress
    - Adjusting priorities and plans as things change
    - Identifying corrective actions and necessary resource adjustments
    - Modifying the plan, if not producing results
  - Reviewing Key Performance Indicators
- Consider using Smartsheet as a tool for tracking: <https://www.smartsheet.com/>

## SWCCOG Shared Vision 2024

What is your best possible reality?

What do stakeholders see, hear, and feel as evidence?

### FOR MEMBERS:

#### A Vibrant, Sustainable Organization

- Vibrant organization whose members are secure in knowledge of a commitment to the organization of their co-members.
- Sustainable thriving organization
- Engage in the “What is in it for me” to know what “success” looks like for them.
- Financial accountability
- Direction is clear and action happening

#### Full Participation

- Unified region
- Need common focal points or targets.
- Common Goals
- Collective Vision
- All willing and positive to be at the table and participate
- I thought about every jurisdiction in the 4 corners being a member of the COG
- Engaged, problem solving group
- Full and diverse representation of members (all at the table)
- Open to regional (NM) governments at the table
- Lacking key members
- Negotiating thru differences

#### Services and Value

- Provide expertise where small staff is lacking
- Willing to provide resources
- The members get services/work products they can't get by themselves (because of cost, or the work required collaboration).
- Vital, creative flexible organization that serves the region in a holistic fashion with community engagement and support.
- The capacity and resources to provide support to Local Government
- Know where, who, and how to accomplish solutions
- Advocacy
- Broadband middle mile infrastructure in place and operational
- Reliable, respected entity
- I thought about organizations in the region seeing the COG as the go-to for achieving prosperity in the region
- Reliable organization that fulfills promises and brings ideas to the table to solve problems
- Need unified COG and EDD organization

## **SWCCOG Shared Vision 2024**

What is your best possible reality?

What do stakeholders see, hear, and feel as evidence?

### **FOR PARTNERS:**

#### Contribute

- Working with us to solve problems and provide important services
- COG supports organizational consolidation
- Partners contribute and receive work/support when a task is best done together
- Advocacy for the Council

#### Value

- Approving annual contribution to organization without a reserve and stating that the contribution is money well spent
- Provided a long term value
- Understanding and pride in their contribution

#### Collaboration

- A more powerful group that is encompassing enough to garner regional attention
- COG and partners need to work together and not duplicate services
- Collective vision
- Find common goals that are strengthened by collaboration
- Collaborative engagement to support the region as a whole. Less fear or concerns about who/what COG is.

#### Engagement

- I see an organization that has membership of all possible entities
- Full membership

## SWCCOG Shared Vision 2024

What is your best possible reality?

What do stakeholders see, hear, and feel as evidence?

### FOR RESIDENTS:

#### Community Education

- Understand what we do
- Regional Group addressing big issues
- Community education as to function of COG
- Understand what it took to provide
- Residents know what COG is and does
- They might not know COG but they know our work

#### Government Seen as a Tool for Effecting Change

- Residents are not stakeholders but recipients of the COG's (or benefactors) successes
- Champion the projects they are passionate about for the organization
- I thought about residents recognizing the outsized influence local officials and local governments have in helping their communities prosper.
- They don't see us as an extra layer of bureaucracy
- No perceived or real overlap of services
- Hear and see cooperation among various governments for betterment of whole
- A good use of money
- See COG has purpose and gaps filled and problems solved
- A resource for community members to provide their county/municipality resources and support
- Respected and understood organization

#### Direct Service

- Walking into a stone/brick building greeted by receptionist directing individual to staff member for assistance
- Interconnected Broadband infrastructure
- An organization that has accomplished concrete projects that are cost effective
