**I. Introductions**

The meeting was called to order at 9:03 a.m.

**II. Consent Agenda:**

1. September 2021 Meeting Minutes

There were no questions or comments.

**III. Discussion Items**

1. Four Corners Regional Mobility Hub update

Michael presented the final implementation plan for the regional digital mobility hub. Clyde asked if the State has a timeline for developing the statewide system. Michael replied that they are planning a phase one roll-out early next year. He added that there has been some discussion about including the southwest region and the north front range in phase two, which should be later in 2022.

Clyde asked if there is existing software that would interface one different platforms such as mobile. Michael replied that it is very common to have a process to ensure the web platform translates to a mobile platform. Clyde mentioned that continued Broadband deployment would support this project. Michael described the data related to connectivity included in the implementation plan and how this will be important moving forward. Clyde asked

**IV. Reports**

1. Transit Provider Updates

Jennifer reported that MoCo's medical rides are picking up. They were awarded a grant for a feasibility study for fixed route.

Gordon reported that Southwest Rides are seeing increased ridership. They are exploring the possibility of doing group trips in the future.

TJ encouraged participation in the SWTPR as they would be reviewing the project prioritization lists, including transit projects. He added there will be more funding opportunities forthcoming.

**V. Adjournment**

The meeting was adjourned at 9:39 a.m.
